# 3<sup>rd</sup> Grade News

I hope that everyone had a great holiday weekend! This week we will begin easing into our regular schedule and 3<sup>rd</sup> grade curriculum. Starting tomorrow our classes will be switching for science and social studies. We are also starting our beginning of the year testing. Once we have completed all of our testing we will update you with your child's scores! Everyone is enjoying our smaller class sizes and getting to know Mr. Hyde!

## Specials Schedule

Everyday your child will either go to gym or music class. It is important that your child has appropriate shoes for gym class. Please make sure to send them with gym shoes on their gym day. If you would like your child to keep a pair in their locker, that is okay!

|        | Music                  | Gym                    |
|--------|------------------------|------------------------|
| Hyde   | Mon/Weds<br>Alt. Fri   | Tues/Thurs<br>Alt. Fri |
| Mobley | Tues/Thurs<br>Alt. Fri | Mon/Weds<br>Alt. Fri   |

This week Mr. Hyde's class will have music this Friday. Mrs. Mobley's class will have gym.

If your child has a birthday coming up and would like to celebrate at school, we love treats! There are 23 students in Mrs. Mobley's class and 19 in Mr. Hyde's. Please make sure to send in the necessary utensils/plates if your treat requires it!

## Nut Free School

Just a reminder that our district went peanut free last year. Students are not allowed to bring any items for their lunch or snacks that contain peanuts. We have several students that have a severe allergy to peanuts. There is also a student in 3<sup>rd</sup> grade with a tree nut allergy. If you send in any treats for the class with any tree nuts or products made with tree nuts please let us know!

If you have not yet filled out or returned your emergency contact sheet or residency affidavit please do so as soon as possible. It is important to have these papers on file. Please let me know if you need an extra copy!

## Upcoming Events

- 9/21 NHS Blood Drive
- 9/27 1:00 Release
- 9/29 Homecoming
